

Varieties of Overprint Fonts on Postage-due Stamps of the 01/01/1924 - 12/01/1924 Issue

Overprints on #1 and #2 Stamps of RSFSR.

Overprint “**Доплата 32 коп. золотом.**” on stamp #1
надпечатка «**Доплата 32 коп. золотом.**» на марке 1

Structure of overprint types

Roman Numerals indicate the arrangement of overprint lines considering the distance between the denomination numeral and the overprint abbreviation.

First capital letters denote variations in the fonts of overprint denominations.

Second Roman Numerals represent defects and differences in fonts between overprint denominations and text.

Lowercase letters signify differences in the placement of dots after the words "КОП" and "ЗОЛОТОМ".
